On Monday, January 9, 2012, the City of Norman's first Compressed Natural Gas (CNG) Fueling Facility located at 2351 Goddard Avenue will be open to the general public as well as the City's fleet of vehicles. The current cost per gallon to the general public will be \$1.44/gallon. The station is equipped to serve all CNG vehicles including passenger vehicles, larger vehicles and buses. The fueling facility will be open 24 hours/day and 7 days/week on a self-service basis. Additional background information regarding this facility is attached.

If you have any further questions or need additional information, please do not hesitate to call Mr. Mike White, City Fleet Superintendent at (405) 292-9709.
